Dorothy asked that you please forward this email to everyone. There is one DEC scholarship from FGCNYS in addition to our own District ones. Dorothy is the State Chair for this.

Good morning,

It is time to plan for DEC Camp 2020! Our goal is to sponsor one camper from each District.

DEC camps combine environmental education, hunter education programs, and outdoor recreation into an adventurous experience. They use a fun, hands-on approach to teach about the environment. This is a great opportunity to capture the interest of the next generation of gardeners!

What we need now:

- each District Director to work with their youth committee chair to identify a camper to sponsor
- send the name of your camper to me ([grant.dorothy22@gmail.com](mailto:grant.dorothy22@gmail.com)) by November 15, 2019.

Next steps:

December: FGCNYS puts money in our account to cover the tuition

January: Camper's family registers camper using payment code we provide

Please do not let this opportunity slip by your District.

Dorothy Grant, DEC Committee Chair
